

Canadian Forestry Accreditation Board Bureau canadien d'agrément en foresterie

Other News

Ian Millar, R.P.F. has been named Member Emeritus of the Registered Professional Foresters Association of Nova Scotia in recognition of his longstanding and dedicated service to the Association and to the province's professional forester community. The honour is a unique, first time award by the Association and goes to one of its founding members. Congratulations Ian! [January 2018]

All professional forester/forest engineer associations in Canada and the Canadian Institute of Forestry are member agencies of the Board. [January 2018]
